Perfmet are a WA manufacturer and installer of **perforated metal, architectural screens, balustrading, Louvres, Hand Rail, Bollards, awnings, sunshades, general metal fabrications. We also offer labour hire for mines if and when required.**

Essential to our success is a company wide commitment to customer service and innovation.

We pride ourselves on being people of passion and integrity who excel and deliver results.

We work in partnership with architects and builders to ensure projects are completed on time and on budget.

Our project management team and workforce are skilled in the design, manufacture and installation of Perforated Metal Panels, Screens, Metal Cladding, Balustrades and other associated metal-work products.

Our in house punching machines can handle standard sheets and custom sheets up to 6m Long and depending on the material, we can punch up to 5mm.
